

Welcome to LUSO Community Services

LUSO Community Services is a multicultural, non-profit charitable organization dedicated to promoting inclusiveness, well-being and prosperity in the London community. We are a provider of community social services with a holistic approach to community development. We provide programs and services in the community for children, youth, families and seniors of culturally diverse and ethnic backgrounds.

LUSO receives financial support from Immigration Refugees and Citizenship Canada, United Way London and Middlesex, City of London, Ministry of Citizenship and Immigration, TVDSB-OFIP, Service Canada, Maycourt of London and numerous service clubs, private foundations and donors. In November of 2016, LUSO celebrated 36 years of service to the community. It has been our privilege to work with so many individuals, service providers and businesses for so many years. Thank you London!

LUSO Community Services was originally formed in 1979 as Portuguese Community Services. Focus was to assist Portuguese immigrants to integrate into the Canadian socio-political and cultural environment. Today, we are legally known as LUSO Community Services. We work with diverse populations and offer a variety of programs for children, youth and families.
