

We need your help!

LUSO Community Services is a member agency of the United Way of London and Middlesex and receives approximately 22% of our annual budget from the United Way. We receive support from the City of London, foundations, service clubs, and various government grants, which accounts for approximately 45% of our budget. The remaining 33% of our budget is raised through fundraising and donations from the community. We need your support to maintain our current programs and services. Your help ensures that we continue to provide services to those who are most vulnerable and at risk. LUSO can now accept online donations. Of course, cheques, money orders and cash donations are also greatly accepted. Donations can be designated to specific programs. A charitable tax receipt will be issued for all donations.
